Unless they were being persecuted...in which case they might deny it or conceal it. The smart Jews who evaded the persecution of the second world war predominantly hid their status and beliefs. I'm sure some got lucky though and got out before things got bad.

My policy is neutral, with minor moderation only if something gets out of hand. Generally discussion should be about power politics, masonic and paramasonic groups, actual political conspiracies, anything about the illuminati, freemasonry, grand orient and irregular lodges, p2 lodge, witch covens, satanism, predictive programming, religious groups, secular groups etc. Just post good info, or ask good questions in a thread starter. I don't plan to delete anyones posts or threads, or to lock any threads. I have no agenda except for reading, information filtering, and increasing understanding. If you take an unpopular or adversarial position to any group that's fine too. I'm neutral, I'd like to hear about the debate / controversy.

☐ **Earth Truth dani** 11/18/2023 (Sat) 06:19 [\[Preview\]](#) No.165 [\[X\]](#) [del](#)

The Earth is hollow. Not only there were US soldiers that confirmed it, hence why there were silenced, but in books and literature (see Jules Verne) the earth is explored by the inside. Powerful people doesn't want humans to see the reality of things, they hide something about the hollow earth. In this theory the earth has 2 ways to access the inside: by the poles. The Antarctica hole and the north pole hole. That's why you see a bunch of soldiers guarding "apparently nothing" in Antarctica and the north pole. At this point I'm 99% sure it's hollow. The 1% is because I was not inside. But maybe I will, if people like me help to get us inside.

These slogans are tied to the flash imagery that appear in the video. Also it seemed that the audio track also contains morse code, I tried to decode it but it came out as giberish.

General message:

The end-times people!! Wars and plagues, west vs east, Moscow vs Washington, the end of the Roman church, men reduced to beasts in the wilderness, then aliens come, 2001 a space odessy.

Ok thanks for wasting my time with that.

So is this all just a coincidence? Supposedly a Rosicrucian doomsday cult was planning on releasing a bio-weapon that would wipe out 10% of humanity some time between 2018-2024. According to Jay Winter a self proclaimed intelligence analyst. This might tie in with RC christian and the Georgia Guidestones. Or could be a coincidence. Corona seems to only be 1% kill though...so it's not a good match. What are your thoughts?

The audio message in "Morse code" in this video,
11B X 1371 2, is the "Prophecy of the Popes"
of "Saint Malachi", about the 112 Pope on the list, encoded in the same Latin letters down there are
exactly the letters that are in the code:
"qui pascet oues in multis tribulationibus quibus transactis ciuitas septicollis diruetur iudex tremedus iudicabit populum
suut"
translation:
"He feeds his sheep in many tribulations, after which the city of seven hills spend the formidable Judge will judge the
people of the aforementioned"

<https://en.wikipedia.org/wiki/Samyaza>
<https://en.wikipedia.org/wiki/Azazel>
<https://en.wikipedia.org/wiki/Samael>

The Book of Enoch is the source of the fallen angels rebelling and fighting against the angels of God story, and the source of the modern Luciferian Legend.
The book of Enoch is non canonical in either Hebrew or Christian literature is apocryphal, but was cited in the book of Hebrews and in the Epistle of St. Jude so it was known to early Christian communities.

Summary:

The name of the leader of the fallen angles is **Samyaza**, later changed to **Samael**, (Not Lucifer). Another rebellious Angel **Azazel** taught warcraft, weaponry, war, and sorcery to humans. The reason for their rebellion was to fornicate with hot earth women. They had babies called the Nephilim who were Giants. God destroyed them and cast them into a lake of fire and pit of darkness, and killed all of their offspring in the Noachian flood.
