oh what heavenly beasts the Tower holds back.
Lord, heaven above, must you grip us tightly in the center of your spiked palm?
endless, brackish storms,

Use this or look for scripts that scrape Pushshift API datadumps to view their deleted posts unless they opted out of Pushshift API via the forum. I believe the data dumps still work but I haven't looked into a script to download json data for a set user:

Also reddit is gay. Reddit Karma is basically Social Credit Score to use site and "post" on subreddits. Lots of weirdos ganstalkers and pedos on there.

>i sent the fucker an ip grabber dumb fuck clicked it and it landed in oshawa canada reginos pizzza with 6666 in the phone number.

How exactly do you do this? send them a url shortener that goes to an ip grabber that then redirects the official link?
