Well, i get somewhat concerned if there are a lot of posts on anything occult that sort of don't seem to lead anywhere concrete, because not everyone has that kind of spiritual grounding that you do. A lot of spiritual teachers warn people about getting too caught up in this stuff, which can be both dazzling and scary--not a good combo.

Sometimes Q posts something that takes anons in this direction, but then they are responding to his prompt and don't get too caught up in this stuff. But shills also post *extensively* on all kinds of occult material on QResearch. Not to teach us anything but just to distract, confuse, and fascinate us with material that most of us can't really use to bring down the cabal--we just don't have the background. The darker stuff is at best a slide and at worst a 'slippery slope' kind of scenario for those who have never spent much time looking at symbolism, archetypes or esoteric literature.

Starting from scratch (e.g., reading a 500 page book by Waite on freemasonry--when you have no background) is more likely to confuse than illuminate. So much moar to be gained when anons focus on areas with which they are familiar. All of us have expertise in some field--let's us THAT in our digs. So much existing knowledge and talent here.

Bombshell Reports Indicate Days Ahead Will Be DEVASTATING for the 'Deep State'

Part 1 of 2

Friday night was a devastating night for the Deep State, after four reports uncovered many corrupt actions taken by the Obama administration.

Below is a detailed list of the four reports compiled by The Gateway Pundit, that has left the Deep State crooks extremely worried:

1. The FISA Report

The first event reported is that the DOJ IG's FISA report is about to be released.

Of course this is nothing new to those of us who have been following the Russia Hoax scandal. We knew this was eventually going to come out. The news overnight is that the report "will be released publicly with few redactions". This means that negotiations over redactions were either mute or they weren't happening.

Many of us thought that the "Deep State was Deep Sixing" the FISA report. Perhaps they were. But another theory is that the DOJ IG may have been held back from releasing his report until a time when it would not impede AG Barr's investigation by his DA John Durham into the Deep State actions before and after the 2016 election. **Had IG Horowitz released his document before all the players in Durham's investigation were questioned, they might have altered their testimonies based on Horowitz's report.**

2. AG Barr and John Durham's Investigation into Deep State crimes

Bombshell Reports Indicate Days Ahead Will Be DEVASTATING for the 'Deep State'

Part 2 of 2

3. Sidney Powell's filing Regarding General Flynn's case

We also found out late last night that Sidney Powell is aware of numerous documents and actions by Obama's Deep State that have been withheld from General Flynn that are damning to the government's case. These are so damning that she is asking the court to dismiss the case against General Flynn.

What we learned is that among other things, former Deep State and FBI attorney Lisa Page altered the 302 document materially in a manner that implicated General Flynn for lying to the FBI. She then lied about making the edits. Page of course was the paramour of the most corrupt FBI Agent in history, Peter Strzok.

We also learned from General Flynn's attorney Powell that Obama's former Director of National Intelligence, James Clapper, was involved in the felony release of General Flynn's phone call with a Russian diplomat before the 2017 Inauguration.

Both of these bombshells related to Page and Clapper were dropped tonight. It is likely that they were dropped now because the information is no longer information that can impact Durham's criminal investigation, indicating Clapper may have been interviewed already. On the other hand, perhaps the information on Clapper and Page is already locked and loaded and there is no harm in this information now being released.

We may find out that the recent delays and redactions by the DOJ in regards to Flynn's case and the IG's FISA report may have been to prevent the Durham investigation from being derailed rather than the typical Deep State redactions and delays we have been accustomed to in the recent past. Time will tell.

4. Recent Reports regarding Obama VP Biden's pay-for-play scandals

We also learned last night that Joe Biden during the time he was Obama's VP, partook in actions resulting in payments to him and his son Hunter. These payments go beyond the Ukraine and China. Former New York City Mayor Rudy Giuliani claimed previously that Biden was suspect of a pay-for-plan scandal in Romania.

Anderson Cooper

Anderson Hays Cooper (born June 3, 1967)[1] is an American journalist, television personality, and author. He is the primary anchor of the CNN news show Anderson Cooper 360°. The program is usually broadcast live from a New York City studio; however, Cooper often broadcasts live from CNN's studios in Washington, D.C., or on location for breaking news stories. In addition, he is a correspondent for 60 Minutes.

From September 2011 to May 2013, he also served as host of his own eponymous syndicated daytime talk show, Anderson Live.[2]

Anderson Cooper was a featured star of the "Hope for Haiti" cult fund raiser.

>So far, more than \$58 million has been raised -- and this figure is expected to grow since corporate donations and iTunes purchases have yet to be tallied. Hosted by actor George Clooney in Los Angeles, musician Wyclef Jean in New York City, and journalist anderson cooper in Haiti, the two-hour telethon included performances by Justin Timberlake, Taylor Swift, Beyonce, Coldplay, Jennifer Hudson, Shakira, Mary J. Blige, Madonna, Bono, and others. Check out the moving performance below of Mary J. Blige singing Hard Times Come Again No More:

Marionette K Bilge is a vrai disaster cow.

We've no time for manatees now, we are focused like a laser, on CNN's Anderson Cooper.

Cooper likes to recreate "where the pedovores roam:"

>Rancho Pacifico was right for anderson cooper, Sheryl Crow and Al Gore. Is Rancho Pacifico right for you?

>Rancho Pacifico is a relaxed place - modern in appearance, but a bit old-fashioned in its ways. We purposely do not have TV's or phones in the rooms (we do have good cellular coverage and free Wi-Fi throughout the property). Most of the property is designed in an open-air concept without air conditioning (with the exception of our Luxury Suites and the bedroom in our Villa Romantica). At nearly 2,000 feet above sea level, the cool breezes keep us comfortable year-round.

>>22171 Anderson Cooper in autism of the past

from QR

Ancient Phoenicians, located in modern day Lebanon, are said to have sacrificed children and animals. Strangely, Epstein has a random cow statue on his island. Epstein's temple had a statue of a bird, possibly Moloch. Every summer, men in the GOP attend the Cremation of Care in Bohemian Grove. In the ritual, a child sacrifice, allegedly a fake baby, is given to a 40ft statue of an owl resembling Moloch, the pagan god of child sacrifice. An email, published by Wikileaks, on the Hillary Clinton's insecure server stated, "With fingers crossed, the old rabbit's foot out of the box in the attic, I will be sacrificing a chicken in the backyard to Moloch." Tony Podesta owned a piece of artwork that seemed to depict Gloria Vanderbilt's pool. In the artwork, underage girls were hung by ropes against a tile wall. Gloria Vanderbilt, mother of ANDERSON COOPER cooper of CNN, was pictured in her bedroom with her two sons. The artwork above her head depicted a child sacrifice and a man dressed up as a white rabbit. In a different photo, Gloria Vanderbilt wore a necklace with a White Rabbit. Tony Podesta owned a piece of art that seemed to depict a portrait of Stella Schnabel created by Rachel Chandler. Rachel Chandler was a photographer who took rather questionable photos of underage children. Chandler was pictured with Bill Clinton on a plane, possibly the Lolita Express. She posted Epstein's security cams on her Instagram on July 19, 2013. At her wedding, Chandler took a photo of a man dressed up as a white rabbit. Rachel Chandler was pictured with Nat Rothschild and in a different photo was pictured with Paris Hilton, the sister of Nicky Hilton. Nicky Hilton married James Rothschild. Hillary Clinton is friends with Lynn de Rothschild, a lady who is a part of the Bronfman Rothschild company. Clare and Sara Bronfman are both involved with NXIVM. The sisters' uncle, Charles Bronfman, made a joint bid in 1989 with Robert Maxwell to purchase the Jerusalem Post. Robert Maxwell is the father of Ghislaine Maxwell, the woman who recruited underage girls for Jefferey Epstein. Ghislaine Maxwell was pictured with Nat Rothschild, the same man Rachel Chandler was pictured with. Ghislaine Maxwell even attended Chelsea Clinton's wedding. In March of 2015, Bill Maher made a joke about Bill Clinton going to Epstein's island. Bill Maher's production studio is named "Kid Love Productions." Maher is pictured with Anthony Weiner, a pedophile who is the husband of Huma Abedin, Hillary Clinton's aide. Maher, Tony Podesta, and Andrew Kauders were pictured together, all of which were wearing red shoes. On July 19, 2013, the same day Chandler took the security cam photo, Bill Maher made a joke about Catholic priests sexually abusing children.

Have a boom with that?

Sorry attempt.

I'm gone. The other already left. I'm just having fun, at this point. Thanks for that!

But such an easy game loses interest quickly.

Maybe someone else will pick up where I left off on schooling you?

It's really too easy when you stand against truth and promote continued slumber.

Why don't you reread what you have missed instead of just starting at the bottom? Maybe you can form some more convincing arguments? Nah -- that would be too risky.

Darkness **HATES** the light.

Light hates nothing.

Just ignore the loser and discuss amongst yourselves.

You're all winners here, except one, who arrived right on time, as I already noted with two deltas.

Too easy.
